The purpose of this Facilitator's Manual is to help you, as the facilitator, support and give direction to others through the "The Leadership Puzzle," Workbooks One and Two. This business leadership development course is a two-workbook process. You will help each participant to develop a MODEL OF MARKETPLACE, MINISTRY AND LIFE, and a PERSONAL MISSION STATEMENT. This takes place through a format of weekly small groups or round tables. This manual will provide you with guidance to lead your group through five sections of thirty-four individual exercises. They are cumulative in their effect. Your challenge will be to take your group through a series of thought-provoking puzzles and questions. Your wisdom and skills in conducting your group's discussions will be tested. Be open-minded to the challenges. As the facilitator, you will find yourself going deeper into your relationship with God, so that you can better understand and help your group members.
